GOVERNMENT OF MYSORE

To.

The Secretary to Govt.
Genl: & Rev: Departments

Sir

I have the honor to
acknowledge receipt
of Govt Pro: No. 8058-92
Mis 1814
dated 10th January 1899
inviting opinion re-
garding (1) the proposed
destruction of the old
copies of the Mysore
Gazette Part II, and (2)
the discontinuance of the
supply of Canarese Copies
of the Mysore Gazette in
certain cases.

2. As regards the first of
the two points referred to
in the above, I beg to state

that I cannot concur in
the opinion expressed
by the Dy Commissioner
of Chitaldrug District
that the matters published
in Part II of the Mysore
Gazette are all of
evanescent interest
for among the publications
contained in that Part,
there are some, which are
of permanent importance —
Such as notifications
by the British Resident,
the rules of Practice
prescribed by the Chief
Court and also the cir-
culars issued by the
Comptroller to Govt.
and other Heads
of Departments and
these Circulars have,
some of them at least,

the force of standing orders in the respective Departments concerned. It is therefore obviously undesirable to destroy these publications.

3. Of the matter contained in Part II of the Gazette, there are of course some portions which are of no permanent importance Such as Notifications issued by the Dy Comrs conferring Special powers on their Subordinate Magisterial Officers, the Results of the Lower Secondary and other examinations held by the Education Deptt Invitations of Tenders by Ex: Engineers and other Officers &c &c &c But

as these are printed and
passed contiguously
along with the other
important publications
referred to in the foregoing
para, it is not possible
to detach the unimportant
portions from the Gazette.
In these circumstances
I would not recommend
any portion of the Gazette
being destroyed.
4. Next as regards
the question of the supply
of Canarese Copies of
the Mysore Gazette, I
beg to state as my opinion
that the supply of the
Canarese portion of
the Gazette may be
discontinued to the
Heads of Departments
to whom the English

Copy may suffice for
all purposes of reference

I have &c.
